Join CoParenting Expert, Tammy Daughtry, for an interactive and life-giving coparent class that will tackle topics, such as:

- Communicating with the ex.
- How to handle hand-offs between mom's house and dad's house.
- What do kids need most when parents are divorced or divided?
- How do we protect the heart of our child even when we don't get along?

This class satisfies many states' court mandated coparenting education requirements.

Certificate upon completion.

Individual / Private coaching sessions for parents and children also available.
